

Education

University of California, Los Angeles	Los Angeles
Bachelors and Masters in Mathematics	2023 - 2027
Interested areas: Applications of ideas of algebraic geometry and research in human-AI reasoning.	
Graduate Coursework:	
• Math 206A (Combinatorics), 207B (Iwasawa Theory)	Fall 2026
• Math 216 (Cluster Algebras), 235 (Contact Geometry), 245C (Real Analysis 3)	Spring 2026
• Math 205B (Alg. NT 2, Modular Forms), 207B (Special values of L-functions), 225B (Differential Topology), 245B (Real Analysis 2)	Winter 2026
• Math 205A (Alg. NT 1, Elliptic Curves), 245A (Real Analysis 1), 251A (PDE)	Fall 2025
• Math 210C (Algebra 3), 214B (Algebraic Geometry 2) 197 (Modular Representation Theory with Raphaël Rouquier)	Spring 2025
• Math 210B (Algebra 2), 226A (Differential Geometry), 214A (Algebraic Geometry)	Winter 2025
• Math 210A (Algebra 1), 225A (Smooth Manifolds), 229A (Lie Groups and Lie Algebras)	Fall 2024
• Math 225C (Algebraic Topology), 212A (Homological Algebra)	Spring 2024

Research Experiences

University of California, Los Angeles	
• Computational and Applied Mathematics REU <i>Scalable Collaborative Human-AI Reasoning in Mathematics</i> , PI: Andrea Bertozzi, mentored by Justin Baker	June - August 2026
• Reading Course Milnor's book on Characteristic Classes with Burt Totaro	Summer 2026
• Modular Representation Theory with Raphaël Rouquier	Spring 2025
• Reading Group <i>The Arithmetic of Elliptic Curves</i> , Silverman Ch. I-III, VIII.1, X.1 Coorganized with Brian Shin, Boran Erol, Conor O'Quigley, Mikey Watts, and Nathan Ruyle.	Spring 2025
• DRP: Local Fields with Jacob Swenberg	Fall 2024
• DRP: The Grothendieck Group K_0 with Ben Spitz	Winter 2024
• Grader for Math 115AH (Honors Linear Algebra)	Spring 2024

Outside Experiences

• 43rd Workshop in Geometric Topology 2026	Utah Valley University, UT, June 18-20, 2026
• Topology & Algebraic Geometry, Undergraduate Workshop	University of Notre Dame, IN, June 2-6, 2025
• Preliminary Arizona Winter School 2024 Mini-Course on Local Fields, including Hensel's lemma, Extensions and classification of Local Fields.	Online

- Lean Proof Assistant Workshop
Run by Dr. Antoine de Saint Germain
Mini-project on formalizing Freize Patterns on Lean.

HKU, Hong Kong
August 2024

Talks

At UCLA:

- Presentation for 235 May 29, 2026
Exact Lagrangian Cobordisms.
- Participating Algebra Seminar April 15, 2026
Intersection Forms and Riemann Roch on Surfaces, reading seminar on Complex Surfaces.
- Presentation for 207B March 10, 2026
p-adic interpolation of the ζ -function.
- Participating Algebra Seminar February 11, 2026
Geometric realization of the Cox sheaf, reading seminar on Cox rings.
- Participating Number Theory Seminar November 25, 2025
The Gorenstein Criterion, reading seminar on Mazur's Einsenstein Ideal paper.
- GSO Seminar November 6, 2025
Importance of being imaginative, exposition on quaternions, quadratic forms, and four-square theorem.

Outside UCLA:

- HKU Geometry Seminar August 2024
One of the presenters on the Lean formalization project on Frieze patterns in August 2024.

Writings

- *Modular Forms and the Kodaira-Spencer Isomorphism*, Final Project for 205B Winter 2026
- *Introduction to Geometric Motivic Integration*, Final Project for 245A Fall 2025
- *Moduli Stacks of Complex Elliptic Curves*, Final Project for 205A Fall 2025
- *Ado's Theorem*, Final Project for 229A Fall 2024
- *On the Coprime Product Series and Its Divergence and Bounds* December 2022
Gold (Asia), Bronze (Global), S.T. Yau High School Science Award

Outreach

UCLA

- Organized an online reading group on Artin's Algebra with over 15 undergraduate students. Los Angeles Summer 2026

UCLA Olga Radko Endowed Math Circle

- Assistant Instructor for Advanced 1B class Los Angeles Spring 2024

Skills and Activities

Language: English, Cantonese, Mandarin (Native), French, Spanish(Intermediate), Italian (Elementary).

Extracurriculars:

- Opinion Columnist, Quad and Photo contributor at Daily Bruin, UCLA's newspaper (Fall 2023 -)
- Pianist at Bruin Chamber Musicians (Fall 2023 -)

- Cofounder of Hour Salon, club focusing on discussions of “issues of importance” in our times. (Spring 2024 - Spring 2025)
- Actor at Shakespeare Company at UCLA (Spring 2025), acting in a production of Twelfth Night.
- Member of Bruin-Runners, UCLA’s running club (Fall 2024 -

Nationality: Hong Kong.
